Beauty Will Save The World: Recovering the Human in an Ideological Age. Gregory Wolfe -Review by Teri Hyrkas . It was the title of this book, Beauty Will Save the World (ISI Books, 2011), that caught my attention. Such a marvelous - and outlandish - statement!

Beauty Will Save the World - Preach The Story

In Beauty Will Save the World, Brian Zahnd presents the argument that this loss of beauty as a principal value has been disastrous for Western culture, and especially for the church. The full message of the beauty of the gospel has been replaced by our desires to satisfy our material needs, to empirically prove our faith, and to establish political power in our world--the exact same things that Christ was tempted with and rejected in the wilderness.
