Bio-ethics: A Primer for Christians In the face of rapid advances in medical research and treatment, bioethics has become a serious social concern. Originally published in 1996 and later chosen by WORLD magazine as one of the top 100 books of the twentieth century, Gilbert Meilaender's Bioethics covers a wide range of pressing bioethical issues and offers discerning guidance on how Christians ought to think about them.

Bio-ethics: A Primer for Christians

Bioethics: A Primer for Christians is a book that seeks to provide a distinctively Christian perspective. Representing, in my opinion, the fourth perspective with some leanings toward the second perspective, Dr. Gilbert C. Meilaender, Jr., a theological ethicist serves as a member of the faculty of Valparaiso University in Valparaiso, Indiana.
