Violence is one of the most important challenges, not only for public health systems, but also for public mental health. Violence can have immediate as well as long-term and even transgenerational effects on the mental health of its victims. This book provides a comprehensive and wide-ranging assessment of the mental health legacy left by violence. It addresses the issues as they affect states, communities and families, in other words at macro-, meso- and microlevels, beginning by describing the impact of violence on neurobiology and mental health, as well as the spectrum of syndromes and disorders associated with different forms of violence. The work moves on to tackle violence at the international and intranational level before zeroing in on the nature of violence in communities such as villages or city districts. It also examines the results of violence in the family. Each type of violence has distinct effects on mental health and in each chapter specific groups are explored in depth to demonstrate the heterogeneity of violence as well as the diversity of its outcomes in the realm of public mental health. Finally, the book addresses the notion of undoing violence by detailing case studies of effective interventions and prevention occurring in countries, communities and families. These cases give us pause to reflect on the nature of resilience and dignity in the context of violence and mental health. All the chapters have been written by leading authors in the field and provide a state-of-the-art perspective. The authors, from different fields of expertise, facilitate interdisciplinary and international insights into the impact of violence on mental health.

"Kessler shows how the merchants who were associated with the court - and not just elite thinkers and royal reformers - played a key role in reconceptualizing commerce as the credit-fueled private exchange necessary to sustain the social order. Deploying this modern conception of commerce in a variety of contexts, ranging from litigation over negotiable instruments to corporatist battles for status and jurisdiction, these merchants contributed (largely inadvertently and to their ultimate regret) to the demise of corporatism as both conceptual framework and institutional practice. In so doing, they helped bring about the social and political revolution of 1789." "A Revolution in Commerce provides new insights into the rise of commercial modernity by demonstrating the remarkable role played by the law in ideological and institutional transformation."--BOOK JACKET.

The deluxe e-book edition of Chasing the Sun includes rare, behind-the-scenes video footage of superstar Juanes's early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes's words and offer a true glimpse of the man behind the music. I'm doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I'll continue looking to the stars and traveling the globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun. Juanes In Chasing the Sun, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout some of them never before seen Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekymosis, which went on to become Colombia's leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own words until now.

"Our focus is on presenting material that soothes, stimulates, and awakens emotional and sexual understanding through learning and interpreting the Tarot", write the card reading husband and wife team in which they share more than a quarter century experience with the tarot and as life partners. Begin with the simple, yet never-before-written-about premise- every card and its reverse have romantic and sexual indications. And whether you're a newcomer to tarot, a longtime student, or somewhere in-between, Tarot d'Amour will unveil a whole new way to interpret the cards.

20 Keys has helped many manufacturing companies integrate the top manufacturing improvement methods into a coordinated system for drastic and continual improvement in involvement, quality, and productivity. This program provides the strategies necessary to achieve ambitious goals through a five-level scoring system. The revised edition is improved with upgraded criteria for the five-level scoring system to guide your company to world-class status. New material and updated layout make implementation even easier. Two valuable case studies demonstrate effective use by both a Japanese company and an American manufacturer.

The SAGA Biography traces the band's history over the last three decades; from the pre-SAGA days with Truck and Fludd in the early seventies, 'till the departure of singer Michael Sadler in December 2007. The members of SAGA have approved of this project and, in an effort to ensure factual correctness, they read the book prior to release. "Thirty years is a long time in the life of a band and as you can imagine there are many twists and turns that the long road brings! There were a lot of happy times as well as some not so happy times and Edwins account of these are entertaining as well as enlightening for anyone who wants to go down that road or fans wanting to learn some of the inner workings of SAGA and the members. You won't put it down!" JIM GILMOUR, SAGA

Raw Food Cookbook Blank Cookbook with Full Table of Contents Now you can create your own cookbook with a full table of contents just like the pros do. No more flipping through page after page in that little handwritten book you have now. Keep all your recipes in one handy and organized book. Find your favorite recipe on the internet, in a magazine or get it from your friend and then write it down inside. I know, old school right? These books are great for keeping your cherished recipes safe and also make a great gift after you have filled them up or before of course. Now you can create your own personalized cookbook and have numerous different styles to choose from in this collection. Stop pinning, bookmarking or printing off your recipes and use this handy recipe journal starting today! Just scroll up and purchase your copy. Happy Eating!
