The absence of the mate bond, in addition to Bowman and Kenzie being an established couple with a twelve-year old cub, makes Mate Bond – the seventh novel in Jennifer Ashley’s Shifters Unbound – different than the previous books. There is no instant-attraction and the fast-paced process of mating.

Together but unbound, they must learn what it means to love completely, in the latest novel from the New York Times bestselling author of Wild Wolf. To cement the leadership of his North Carolina Shiftertown, Bowman O'Donnell agreed to a “mating of convenience.” Two powerful wolf shifters, he and Kenzie keep the pack in order and are adored by all. Bowman would do anything to protect Kenzie, for in each other’s arms they’ve found far more than friendship. But as strong as their attachment is, they still haven’t formed the elusive mate bond—the almost magical joining of true mates. Now with a monster ravaging the countryside and threatening the Shiftertown community, some in the pack fear that a pair without a true mate bond isn’t strong enough to lead. Bowman and Kenzie will have to rely on their instinctive trust in one another to save their Shifters—and the ensuing battle will either destroy them or give them the chance to seize the love they’ve always craved.

Collared and controlled, Shifters are outcast from humanity, forced to live in Shiftertowns. But waiting within are passions that no collar can contain... Like most Shifters, Liam Morrissey has learned that trusting humans leads to no good. But when beautiful attorney Kim Fraser enters Shiftertown alone in order to prove her client’s innocence, Liam’s alpha nature leaves him no choice but to offer his protection.

In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. Unbound is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

Still adjusting to the new authority thrust upon her, Rae travels to train with Zander Moncrieff, a Shifter healer, tasked with teaching her about her new role and its responsibilities. He wasn’t ready to love... A polar bear Shifter, Zander wears no Collar and follows no rules but his own. Rae finds him arrogant and demanding, yet compelling and intriguing. And when a new threat looms over Rae’s home, she and Zander must race to the rescue, forced closer to danger...and to each other.

But when a Bureau agent threatens Angus’s son, Angus will do anything it takes to track down the elusive Shifter and protect his cub. ...You outfox him... For twenty years Tasmin Calloway has been on the run, relying on her street smarts and easy charm to sweet-talk her way out of trouble. Spike, a wildcat Shifter and the champion fighter of Shiftertown, is stunned when Myka, the best friend of a dying human woman, announces that Spike has fathered a cub. What’s more, the mother is giving the boy to Spike to protect and raise. Myka, who’d been raised by an abusive stepfather, is not sure that a wild fighter named Spike is the best man to bring up the cute little jaguar cub. She goes to Shiftertown to check out Spike, and finds that the man behind the name is a lonely Shifter who’s lost most of his family and is a fierce caretaker to those he has left. Spike is torn between the cub and his duties as tracker to the Shiftertown leader and asks Myka, the only person who understands, to help him. He starts to like the sassy Myka, a horse trainer who’s not afraid of working with animals, even if they’re wildcats who turn into humans. When Spike’s job puts his cub and Myka in danger, he is forced to choose between those to whom he’s pledged his loyalty and his need to protect the woman and cub he’s come to love. Book 3.5 of Shifters Unbound (Austin Shifters)

From the author of Lone Wolf comes a paranormal romance about two lovers torn between ecstasy and savagery... Jace Warden is sent to the Shiftertown in Austin to find a way to free all Shifters from their Collars. But pulling off the Collars can cause Shifters to go mad or kill them outright. In Austin, Jace meets Deni Rowe, a wolf Shifter with troubles of her own—she was deliberately run down in the road, and while her body has healed, she still has episodes of total memory loss during which she retreats into her pure animal self. Jace has never met anyone like Deni. Courageous and beautiful, she volunteers to help him test the Collar removal. And as Deni and Jace work together, they feel the mate bond begin. But can Jace help Deni believe she can heal enough to be anyone’s true mate? This sixteen chapter novella includes a preview of the upcoming Shifters Unbound novel Wild Wolf.
