Posizionando Mio caro serial killer nella tasca della borsa trascina-computer da cui lavrei estratto per farmi compagnia nella lunga tratta metropolitana, sorgeva nella mia testolina una domanda quasi inevitabile: la più barcellonese delle investigatrici della letteratura gialla avrebbe in qualche modo reagito alla questione politica catalana che tante pagine dei quotidiani ha occupato nel nostro recente passato?

Mio caro serial killer by Alicia Giménez Bartlett

Mio caro serial killer. Alicia Giménez-Bartlett. 4.5 • 2 Ratings; \$13.99; \$13.99; Publisher Description. Morte, follia, solitudine in una storia nera che racconta la Spagna di oggi. La nuova attesissima avventura di Petra Delicado, l'ispettrice con più carattere e intelligenza del romanzo giallo contemporaneo. GENRE.

?Mio caro serial killer on Apple Books

Mio caro serial killer non è il classico libro che ci si potrebbe aspettare leggendo un titolo del genere, ma è proprio questo aspetto che permette ad esso di distanziarsi da tanti altri romanzi gialli. La trama riesce a mantener il lettore concentrato sulla principale ipotesi sulla quale puntano le indagini, non privandolo però di indizi ...

Mio caro assassino (1972) - IMDb

As this mio caro serial killer le indagini di petra delicado, many people then will compulsion to buy the book sooner. But, sometimes it is thus far afield habit to get the book, even in extra country or city. So, to ease you in finding the books that will keep you, we help you by providing the lists. It is not lonesome the list.

Petra Delicado, a Barcelona police inspector assigned to a desk job, returns to the homicide department to investigate the rapes of young girls by a serial rapist who only leaves a circular mark on his victims' forearms.

"A mongrel dog named Freaky, the corpse of a man with a seemingly endless list of aliases, and a handful of tips from an anonymous woman caller. With these elements hard-nosed Inspector Petra Delicado and her sentimental sidekick, Fermin Garzon, begin an investigation into big-money dog smuggling. Their best leads come from the most unlikely sources: a ruggedly handsome vet; a blond bombshell who trains guard dogs; an eccentric university professor; and a haughty dog groomer. At times, these two world-wise detectives are at a loss, but Delicado and Garzon are not the sort of cops that rely on hunches. They methodically pursue their investigation, drawing the reader into a complex and sordid story in which passions and profits turn men into beasts and animals into victims. Dog Day is set in a Barcelona that few visitors to the city will ever see, a Barcelona that lurks beneath the surface of one of Europe's most dazzling cities. A broken heart, a new monstrosity, and another dead body accompany every step through this demimonde."--BOOK JACKET.

With the exception of die-hard aficionados of European or Italian horror cinema, most people may not have heard of giallo cinema or have seen many films in this subgenre of horror. Most academic film studies tend to ignore horror cinema in general and the giallo specifically. Critics often deride these films, which reveal more about the reviewers' own prejudices than any problem with the works themselves. As a counter to such biases, Mikel J. Koven argues for an alternative approach to studying these films, by approaching them as vernacular cinema—distinct from "popular cinema." According to Koven, to look at a film from a vernacular perspective removes the assumptions about what constitutes a "good" film and how a particular film is in some way "artistic." In *La Dolce Morte: Vernacular Cinema and the Italian Giallo Film*, Koven explores the history and evolution of this aspect of cinema, and places these films within the context of Italian popular filmmaking. He addresses various themes, motifs, and tropes in these films: their use of space, the murders, the role of the detective, the identity of the killer, issues of belief, excess, and the set-piece.

Delicado and her perennial sidekick, Sgt. Fermin Garzon, are thrown into a high-profile case—the murder inquiry into a much reviled gossip columnist, Ernestos Valdes—after the investigators originally assigned to it are pulled off to tackle a politically more sensitive assignment. Valdes did not lack for enemies, ranging from his ex-wife to the countless celebrities and politicians who had been excoriated in his column.

An unforgettable tale of love lost and rediscovered, set in the enchanting backdrop of Italy—from internationally bestselling author Santa Montefiore, whose books have sold more than 6 million copies worldwide. Love may be lost, but it's not gone forever. When Gracie Burton stumbles upon a weeklong cooking course at Castello Montefosco, a castle in the sun-kissed Tuscan countryside, she cannot resist the opportunity to revisit the past she left behind in Italy. Since her husband's death eight years earlier, Gracie has grown apart from her daughter, Carina, a high-powered businesswoman in London and her granddaughter, Anastasia, who would rather spend her time on her phone than with her family, but both women decide to join her. Little do they know that a lifetime of secrets await them in Italy. Over the course of the week, Gracie reveals the truth about what has drawn her back to the castle and its owner, the mysterious Count Bassanelli. Carina and Anastasia are shocked to discover that Gracie spent fifteen years in Italy as an apprentice to her uncle, a renowned art restorer and collector. While there, she fell madly in love. Now, forty-one years later, she has returned in hopes of righting past wrongs. With the help of Mamma Bernadetta's magical recipes and the kindness of her fellow guests, Gracie reconnects with her family and together, all three women learn that love once lost, is not gone forever. *The Temptation of Gracie* is a poignant, timeless tale of grand romance, a story of women through the generations, and a reminder that it's never too late to love.

Industriali e banchieri, servitori delle istituzioni e accademici, uomini dello spettacolo e della cultura, umanisti e scienziati, laici e cattolici. Personaggi noti, colti nei loro lati più inediti, e personalità che, invece, in pochi conoscono. In questo libro Paolo Bricco ha costruito una galleria di ritratti che permette di andare al cuore delle persone e che consente di capire che cosa sia oggi il cuore dell'Italia. Ognuno di loro ha una storia di successi e di fallimenti, di paure e di speranze, di dolori e di felicità, di passato e di futuro. Tutti questi ritratti compongono la storia corale di un'Italia impegnata in un'eterna transizione e sempre in bilico fra declino e trasformazione. Un Paese qualche volta feroce prima di tutto verso se stesso, ma non di rado caratterizzato da slanci di generosità verso gli altri. Un Paese meno centrale e importante di un tempo, in una crisi profonda, ma ancora animato da una vitalità e da una capacità di mutare pelle che sono lo specifico dell'enigma italiano.

William Cornelius "Billy" Dent è il serial killer più famoso d'America. Ha ammazzato più di cento persone, meritandosi il soprannome di Macellaio. Jazz ha diciassette anni ed è suo figlio. Fin da bambino suo padre gli ha insegnato i trucchi del mestiere: come scegliere una preda, come riconoscere un poliziotto, come disarmarlo, come eliminarlo. Ma Billy è stato arrestato prima di costringerlo a mettere in pratica i suoi insegnamenti. Sono passati quattro anni da allora. Il Macellaio è rinchiuso in un carcere di massima sicurezza e Jazz cerca di condurre una vita normale, tenendo a bada la voce del padre che continua a risuonare dentro la sua testa, chiedendogli di fare quello per cui è stato messo al mondo: uccidere. Ed è la più grande paura di Jazz, questa. Essere davvero come suo padre, non poter più trattenere la sua parte oscura. Se non fosse per la sua ragazza Connie, per il suo amico Howie e per lo sceriffo G. William - lo stesso che ha scovato Billy - forse Jazz sarebbe già crollato. Soprattutto quando il serial killer che si fa chiamare l'Impressionista comincia a lasciare cadaveri a poca distanza da casa sua e la gente del paese teme che il responsabile sia Jazz. Per togliere i sospetti da sé a Jazz rimane solo una cosa da fare: utilizzare gli insegnamenti del padre per dare la caccia non a una vittima inerme, ma al vero assassino.

Love or hate. Life or death. No in-between. No compromise. No rules in love and war. Knight. Party monster. Handsome Savage. Doesn't do monogamy. Elliot. Obsessive. Intense. Uncompromising. Newly single, Knight is done with relationships. All he's interested in is bringing down The Count, an Internet personality who is tarnishing his family name. An opportunity to crush him comes when the audacious clown shows up at the Kings of Hell MC clubhouse to film for his YouTube channel. But when Knight meets Elliot, the man behind The Count, he no longer knows what to do with him. Knight has never seen a more pathetic creature than Elliot. He's also never met anyone who needed him more. Skinny, messed up, and a bucket of trouble as thick as tar, everything Elliot does seems to be a wordless death wish. No matter how much Knight hates Elliot's alter ego, under the makeup and theatrics hides a fragile young guy with a passion for history, and Knight can't help but catch Elliot every time he falls. Elliot has bad taste in men. Always hopelessly attracted to violent brutes, his favorite is a long dead serial killer. But he gets more than he's bargained for when he seizes an opportunity to meet the man of his dreams. The ghost is manipulative and dangerous, offering Elliot all he's always wanted, for a price he can't possibly pay. Elliot is faced with an impossible choice between two men. One alive, one dead. One carnal and honest, one drizzling sweet, poisoned promises into his ear. One unwilling to commit, the other promising an eternity together. And Elliot doesn't settle for half-measures. He craves a love that is all or nothing, passion that will consume him, and desire to burn him alive. Elliot is ready to either get that, or die trying. POSSIBLE SPOILERS: Themes: enemies to lovers, protector, cruelty, motorcycle club, alternative lifestyles, demons, tattoos, impossible choices, deception, crime, self-discovery, healing, black magic, gothic, commitment, ghosts, possession Genre: Dark, paranormal romance Scorching hot, emotional, explicit scenes Length: ~145,000 words (Book 2 in the series, can be read as a standalone, but it's recommended to read book 1 in the Kings of Hell MC series first) WARNING: This story contains scenes of violence, offensive language, and morally ambiguous characters.

Una villa lussuosa, sei ospiti che si incontrano per la prima volta. Un'estate da trascorrere assieme, come in una danza felice, incalzante e finale. Il romanzo forse più coraggioso e irriverente di Alicia Giménez-Bartlett, una delicata lezione di libertà, una commedia letteraria e provocatoria, di dolce ed euforica malinconia.
