augmented with additional topics and bound in this one volume, bring you consistency, completeness and unbeatable value.

Telecom 101 covers the core knowledge set required in the telecommunications business today: the technologies, the

Get Free The Telecom

Handbook
players, the products
and services, jargon
and buzzwords, and
most importantly, the
underlying ideas...
and how it all fits
together. Our
approach can be
summed up with a
simple philosophy:
Start at the beginning.
Progress in a logical
order. Build one
concept on top of

Get Free The Telecom

Handbook. Finish at the
end. Avoid jargon.

Speak in plain
English. We fill in the
gaps, build a solid
base of knowledge,
put a structure in
place and show how
everything fits
together... knowledge
and understanding
that lasts a lifetime.
