Law applicable to Scotland can come from primary and delegated legislation passed by Westminster and the Scottish Parliament at Holyrood. The most important piece of legislation with regard to Scots law is the Scotland Act 1998 (which is an Act of the UK Parliament). Section 1 of this Act establishes a Scottish Parliament with a wide range of devolved powers.

Brexit, the possible break-up of the UK, pandemics, this is a country in crisis. In crises the law sets the boundaries of what the government can and should do. But in a country without a written constitution such as the UK, the precise limits between legal obligation and convention can be hazy. Conventions, such as the Prime Minister being an MP, can not be enforced in the same way as laws. What are the limits of law in politics? What is the relationship between law and the constitution? Is not having a constitution a hindrance or a help in time of crisis? Former supreme court judge Jonathan Sumption wrestles with past, current and potential crises that this increasingly divided country faces. From the role of the Supreme Court to the uses of referenda to the rise of nationalisms within the United Kingdom, Sumption exposes

you with all the basics of the Scottish legal system. Fully updated for the third edition, it is the ideal textbook for busy law students and revising for those all-important exams. Summary sections of Essentials Facts and Essential Cases will help you to identify, understand and remember the key elements of the subject."e;

A course on the Scottish legal system is a compulsory part of undergraduate degrees in Scots Law. The Scottish Legal System sets out to present the 'legal system and law of Scotland as a unique and constantly changing human enterprise' and places the Scottish legal system in its broader political and social contexts. This is achieved by covering not only the central aspects of the system, such as the courts and
