In some places an engine is not just an engine, its a 'Lister'. Our engines and generating sets can be found on every continent and in almost every country in the world. This has been the back bone of the company and has pushed everybody involved in Lister Petter to achieve more and deliver nothing but the best.

Lister Petter

History Car. James Bazeley Petter, an agricultural engineer and iron founder, had premises in the Borough, Yeovil. It was there that Ernest and Percival, his twin sons, designed and built a self-propelled oil engine in 1892. Three years later they designed the first internal combustion engined motor car to be made in the United Kingdom. The car, using a converted four-wheel horse-drawn phaeton ...

Petters Limited - Wikipedia

As mentioned above, If its one of the old AA1-AC1 petters there should be a priming pin next to the oblong rocker cover, has a knurled knob. If the o ring on it is worn fit a new one, then using engine oil prime it twice, and if its a pig put one more in and leave the pin pushed in just enough to hold on the o ring ready to use later.
