Arguments Against Euthanasia. One of the biggest arguments against this process is belief about the casual nature with which it will be approached in the future. If euthanasia is permitted without the necessity to abide by government regulations and laws, people will use it as a means to get out of even simpler troubles.

Euthanasia Debate - Opinion Front

Euthanasia is known as many different things like mercy killing, physician assisted suicide, and the right to die, but they all mean the same thing. Euthanasia is administering a lethal dosage of a certain medication, or ending all life support means, and letting a person who is terminally ill pass away at their own will.
