The Handbook is divided into three parts: first, authors examine a range of cross-cutting issues relevant to both consumer and contract law. The second part discusses specific topics on EU Consumer Law, and the final part focuses on a number of important subjects which remain current for the development of EU Contract Law.

Research Handbook on EU Consumer and Contract Law

This article demonstrates how the European Commission took the lead in using consumer law and policy in building and completing the internal market. As a result, consumer law moved a considerable distance away from its social outlook and was converted into a market-focused law. The emphasis of the Lisbon Agenda on international competitiveness enhances and accelerates the transformation ...
