Journal of Conflict Resolution: SAGE Journals

Conflict Management patterns are often according to Desivilya et al. (2005) related to a dual concern model divided into concern for self and concern for others. Further different conflict management approaches are based on these two motives, some focusing more on concern for self or concern for others.

Conflict Management

Negotiation and Conflict Management Research (NCRM) publishes articles that develop theory and report research on negotiation and conflict management across levels, including interpersonal conflict, intergroup conflict, organizational conflict, and cross-cultural conflict, across a range of domains including environmental conflict, crisis negotiations, and political conflict, as well as across a variety of approaches, including formal and informal third party intervention, mediation and ...
