Amazon.com: Marketing: Marketing in the 21st Century ...

Marketing has changed because it has become an exercise in data harvesting as much as anything else. Today, it's very much common for someone to get 'free' stuff provided to them in exchange for their most valuable commodity: personal data. In the past, a shop could only sell to you based on their assumptions and what you would tell them.

How has Marketing changed in the 21st century?

Below are three 21 st century marketing tactics to get your business noticed... 1. Viral Ads are undoubtedly an innovation of the last ten years, and developed from our natural inclination to share funny or interesting things with our friends, combined with the rise of YouTube and other social media channels.
