Never be late again! (in 7 easy steps) by the Mama Manual; May 25, 2018; 2; I can count the number of times I have been late on one hand. I hate being late. Even with a newborn and a second child, I was rarely ever late (let me say rarely instead of never in case there was a one-off I do not recall). To me, being early is on time, and being on ...

Never be late again! (in 7 easy steps) • the Mama Manual

(The author also seems to reiterate the "never again" idea in a few places). I think that with a really ingrained habit like this change will be incremental. My concern is that this can lead to a really black and white view of change - if you decide "well, now I really won't be late ever again!"
