Creativity And Growth  
Riding the Waves of Innovation Finding the perfect wave, slotting into the barrel, avoiding a major wipeout—these might seem like the biggest tests a competitive surfer can face. But if you're an adaptive surfer with a spinal cord injury, making it from the parking lot to the water's edge can present a challenge that's not just gnarly—it's also frustrating, exhausting, and disheartening.

Hence, surfing offers countless metaphors that can help to understand the evolutionary nature of 'innovation', for example:  
The Wave: Nobody creates a wave. It just 'happens' out of countless uncontrollable interactions of the sea with winds,...  
The Surfer: So, the wave is uncontrollable. But, it ...
