So anyway, the first thing I ever saw John Cleese in was Fawley Towers or A Fish Called Wanda. Can't remember which, but there it is. I love MP though, and all that. It makes me laugh, Hell's Grannies and all. A Fish Called Wanda is absolutely friggin awesome, and it's a shame Fierce Creatures doesn't get more respect.

So either he plans on writing a Part 2 or he just grew tired of writing! The most interesting contents for me are about Peter Sellers and Marty Feldman but again, just a few pages about MPFC and the recent shows in London are disappointing. So my vote should be 2.5 stars and I chose 3 out of respect of this artist.
