### A-State

noun. a staring gaze; a fixed look with the eyes wide open: The banker greeted him with a glassy stare. Verb Phrases. stare down, to cause to become uncomfortable by gazing steadily at one; overcome by staring: A nonsmoker at the next table tried to stare me down. SEE MORE DEFINITIONS.

### Stare | Definition of Stare at Dictionary.com

This is a simple trick that allows you to disconnect from the uncomfortable eye contact without "conceding" the match. Soften your gaze and direct it between and slightly above the starrer's eyes. Try it on a friend and you'll see the difference — there's no connection, no feeling of intrusion because there's no true eye contact.

### Defeat the Stare-Down - Instructables

stare down Cause someone to waver or give in by or as if by being stared at. For example, Insisting on a better room, he stared down the manager until he got it. This expression alludes to staring at someone without being the first to blink or lower one's gaze.

### Lopez-Lomachenko intense stare down

The blank stare for me is like a resting bitch face. When my face is at rest, there isn't much expression to it. I'm also not a big fan of forcing an expression when I'm at rest. Sometimes some people have asked me to smile a bit at least and I never do. Because the smile wouldn't be honest and I'm at rest. So smiling would move me to a state of ...
