## **The Consulting Room And Beyond**

The Consulting Room and Beyond is not a typical example of clinical writing in the field of psychoanalysis. Therese Ragen, pushing the boundaries of the genre, thoughtfully explores in a very immediate way the intersubjective nature of psychoanalysis, particularly looking at the role of the psychoanalyst's subjectivity, both how it influences and is influenced by the psychoanalytic relationship.

Consulting with all of my students is an enormous task and one that I could never do on my own. Fortunately, peer feedback is very powerful and assists students in taking ownership over the requirements of an assignment. When students peer review each other's work, I am able to move around the room and add to work that is already happening.
