United Nations Decade For Women

The United Nations Decade for Women was a period from 1975 to 1985 focused on the policies and issues that impact women, such as pay equity, gendered violence, land holding, and other human rights. It was adopted December 15, 1975, by the United Nations General Assembly by Resolution 31/136. The Decade formally consisted of three international meetings and conferences in Mexico City for "consciousness raising", Copenhagen for creating "networks", and Nairobi for "the solidarity

International Women's Year - Wikipedia

Four world conferences on women convened by the United Nations in the past quarter of a century have been instrumental in elevating the cause of gender equality to the very centre of the global agenda. The conferences have united the international community behind a set of common objectives with an effective plan of action for the advancement of women everywhere, in all spheres of public and private life.

The United Nations Decade for Women: an end and a beginning

Women as a legitimate topic of political debate stepped into the international arena during the United Nations (UN) Decade for Women. Although there had been a Commission on the Status of Women at the UN for over 25 years, it was only in the 1970s that women's issues moved to center stage.
