At the heart of our business are our partners: the entrepreneurs and management teams we back; the investors in our funds; the advisers and intermediaries we work with; and the banks and other lending institutions to our deals.

About Us - Vitruvian

Flow of information: The market is driven by information and analysis. Focusing on data that comes from an area of expertise or insight brings value to investors. Breadth: Strategies built on a single principle or method are more beta than alpha. A strategy that collects information from a broad and diverse collection of independent sources provides more consistent performance.
